

Dear Simon Molitor,

thank you for your registration via our Neteera investment link. Your registration has been successful. As a next step in the investment process, we are sending you the following documents:

- **Articles of association:** for your information; no action required!
- **Consumer information:** for your information; no action required!
- **Revocation policy:** for your information, no action required!
- **Notice of withdrawal:** for your information, no action required!
  
- **Subscription agreement:** Please sign document, using SignRequest!

**Please transfer your investment amount to the account number indicated in the Subscription Agreement, with reference to “Neteera”. Your individual issue premium (Agio) is already included in the amount.**

- **Power of Attorney:** Please sign document, using SignRequest!

**If you are resident in a country other than Germany, the following additional steps are required:**

- Investment as a natural person: Please have the “Power of Attorney” certified and apostilled by a local public notary.
- Investment as a legal person / company: Please have the “Power of Attorney” certified and apostilled by a local public notary. In addition, a certified and apostilled proof of representation of the company and the existence of the company is also required.

In both cases, notarized documents translated into German would be very much appreciated.
